Greetings,

Thank you for your interest in the Field Management of Chemical and Biological Casualties Course (FCBC), Medical Management of Chemical and Biological Casualties Course (MCBC), or Hospital Management of Chemical, Biological, Radiological, Nuclear and Explosive Incidents Course (HM-CBRNE).

As a member of the Coast Guard, your official application process goes through your Education Service Officer (ESO). Your ESO will submit an electronic application to CG-1121 Operational Medicine and Medical Readiness Division.

If you have any questions regarding registration, your POC for entry is HSCM Naomi Dennis. She can be reached by e-mail (Naomi.Dennis@uscg.mil), phone (202-475-5174), or fax (202-475-5910).

If you have questions, concerns or just want to talk with one of the instructors about the course, feel free to call CCCD any time.

Sincerely,

The Chemical Casualty Care Division
