Greetings,

Thank you for your interest in the Field Management of Chemical & Biological Casualties Course (FCBC).

As a member of the Coast Guard, your official application process goes through your Education Service Officer (ESO). Your ESO will submit an electronic application to CG-1121 Operational Medicine and Medical Readiness Division.

If you have any questions regarding registration, your POC for entry into FCBC is HSCM Naomi Dennis. She can be reached by e-mail ([Naomi.Dennis@uscg.mil](mailto:Naomi.Dennis@uscg.mil)), phone (202-475-5174), or fax (202-475-5910).

If you have questions, concerns or just want to talk with one of the instructors about the course, feel free to call CCCD any time.

Sincerely,

*The Chemical Casualty Care Division*
