Greetings,

Thank you for your interest in the Medical Management of Chemical and Biological Casualties Course (MCBC).

If you wish to attend MCBC, we will need a signed memo from your supervisor, on your company letterhead, requesting a seat for you. The memo should contain the following information: Name, Last 4 SSN, work address, e-mail address, brief job description, and the course date you wish to attend. Forward the memo to us via fax (410-436-3086) or e-mail (usarmy.apg.medcom-usamricd.mbx.ccc-mail@mail.mil).

If you are approved to attend a course welcome packet will be sent to you via email.

If you have questions, concerns, or just want to talk with one of the instructors about the course, feel free to call CCCD any time.

Sincerely,

The Chemical Casualty Care Division
