Greetings,

Thank you for your interest in the Medical Management of Chemical & Biological Casualties Course (MCBC).

The application process for members of the Navy Reserve goes through the Navy Operations Support Officer for Reserve Training, CPO Sabrarenee Arnold. She can be reached by phone (301-400-1588) and e-mail (Sabrarenee.arnold.mil@mail.mil). Navy Reservists do not pay a registration fee for this six day activity. Your local unit is responsible for TDY and travel.

If you have questions, concerns or just want to talk with one of the instructors about the course, feel free to call CCCD any time.

Sincerely,

The Chemical Casualty Care Division
